

Budweg caliper

Certificate Matching Quality Spare Parts

Odense, May 2004

Budweg Caliper A/S certifies that all our products fulfill the quality requirements applicable for the use of spare parts for repair or maintenance of motor vehicles by authorised repairers, as defined in Art. 1 (1) (t), (u) of the Block Exemption Regulation (EC) 1400/2002.

At Budweg Caliper A/S everything is manufactured taking into account the most stringent environmental requirements. The production respects the current European legislation on this area.

Budweg Caliper A/S is certified according to ISO 9001, this ensures a homogeneously high quality on all our products.
